ON AIR

Play about Gender inequality (MYP30)

MYP 30 performed a play about a girl in school who was mistreated because of her gender. Through this play, they spread the message of gender inequality and the mistreatment girls face in today's society.

Dance and Play (MYP 2)

MYP 2 girls presented a wonderful salsa dance representing the culture in Mexico which is a Spanish speaking country. Alongside them was a play about African culture.
